

# How to edit the questionnaires

## The 3 questionnaires templates:

- [Questionnaire 1](#)
- [Questionnaire 2](#)
- [Questionnaire 3](#)

## How to edit

In all the above links click on the “pencil” button

All the text to modify are inside a “trans” function with the form

```
{% trans “text” %}
```

For example

```
{% trans "Did other members follow the recommendations of action?" %}
```

change only inside the quotes “”
